Social Media Platforms

Communication, engagement and actions taken through external social media platforms that this website and its owners participate on are custom to the terms and conditions as well as the privacy policies held within each social media platform respectively.

Users are advised to use social platforms wisely and communicate/engage upon them with due care and caution in regard to their own privacy and personal details. This website nor its owners will ever ask for personal or sensitive information through social media platforms and encourage users wishing to discuss sensitive details to contact them through primary communication channels such as by telephone or email.

This website may use social sharing buttons which help to share web content directly from web pages to the social media platform in question. Users are advised before using such social media sharing buttons that they do so at their own discretion and not that the social media platform may track and save your request to share a web page respectively through your social media platform account.

Shortened Links in Social Media

This website and its owners through their social media platform accounts may share web links to relevant web pages. By default some social media platforms shorten lengthy url's [web addresses]

Users are advised to take caution and good judgement before clicking any shortened url's published on social media platforms by this website and its owners. Despite the best efforts to ensure only genuine url's are published many social media platforms are prone to spam and hacking and therefore this website and its owners cannot be held liable for any damages or implications caused by visiting any shortened links.
